

## **International Year of Co-operatives 2012 Products for Alberta Co-operatives**

The United Nations has declared 2012 to be the International Year of Co-operatives. In order to promote this initiative, the Alberta Community and Co-operative Association is pleased to partner with The Flag Shop to offer a bulk ordering discount program for IYC 2012 promotional products for all of Alberta's co-operatives.

The stock items feature the English IYC 2012 logo with some items containing the phrase "Co-operative Enterprises Build a Better World".

### **Best Price Program:**

- Fill out the order form on page 5 and either fax or email your order for stock and custom products to The Flag Shop Edmonton by **Monday, December 12th**. (Contact information below.)
- Your order will be pooled with all of the other Alberta co-op orders received.
- The lowest unit price for the individual orders will be determined from the total quantity ordered by every participating co-op.
- Our goal is to get the best price for everyone so the more co-ops that participate, the lower the price for all participants!

Example: Ten separate co-ops place orders for 100 pins each. Without the Best Price Program, they will pay \$2.95 per pin. With the Best Price Program, they now pay \$1.95 per pin because their orders were combined and the unit price for 1000 pins was applied to the individual orders.

Prices subject to change without notice. Taxes and shipping are extra.

Any orders placed after December 12th will be charged on the individual basis at the regular listed prices.

Send your orders to:

### **Deadline for Best Price Program: Monday, December 12th.**

Orders will be filled by The Flag Shop Edmonton. They will contact you to confirm your mailing address, your total price including taxes and shipping, and discuss your payment method. Orders will be delivered before January 12, 2012 so that you will have them before the Canadian launch of the 2012 International Year of Co-operatives.
