Call to Action: Join the Member Webinar, November 24, 10:00 AM

In March, the Alberta Community and Co-operative Association brought our member organizations together to ask for input on ACCA's future and purpose. This work was facilitated by Scott Vaughan and Brett Fairbairn and led to the development of a great Member Engagement Report.

The feedback from members and the summarizing report has helped the staff and directors at ACCA refine their mandates and improve their programs and priority areas. Members who are interested in ACCA's strategic plan and the progress made this year can **view a [summarizing report on actions taken and targets reached in 2016.](#)**

Members, your engagement has been incredible valuable in building a stronger and more sustainable provincial association. We encourage you to join us on **Thursday, November 24 at 10:00 a.m.** via webinar and conference call, to hear more about how ACCA has narrowed its focus, addressed gaps in member needs, and the lessons we've learned along the way. We invite you to listen in, and see the ways we've been working with our member organizations to achieve our common goals - and what's upcoming for engagement and volunteer opportunities.

Please pre-register for the Member Update session. Contact Cindy Dixon by calling 780-963-3766 or emailing cdixon@acca.coop to register and receive the login and call-in details for our November 24 member meeting.
