What Our Program Is About

ACCA's Co-operative Youth Leadership Program provides an opportunity for you to develop your leadership and teamwork skills. It is designed to give you the independence and confidence in your abilities while creating lasting friendships. These seven day programs take place at the Goldeye Centre, located near Nordegg, Alberta. This beautiful, remote setting provides youth the perfect environment to build friendships, discover hidden talents, learn new skills, gain a positive view of the world, and contribute to your future.

There are 4 levels to the program

PRE-TEEN: For youth who are 11-12 years old by June 29, 2018

TEEN: For youth who are 13-14 years old by June 29, 2018

YOUTH: For youth who are 15-16 years old by June 29, 2018

GRAD: For youth who are 17-18 years old and have completed one of the other levels of the program or an equivalent leadership program.

Our Staff

Each program is staffed by a fully trained group of adults. Our staff teams are made up of qualified employees of co-operatives, credit unions, other youth and agricultural organizations as well as program alumni. In addition to their own qualifications and skills, all staff must complete a screening process, be First Aid/CPR qualified and complete a minimum 48 hour on-site staff training before they are approved to staff at the program. We strive to find the most enthusiastic individuals to staff at our programs.

Find A Sponsor

In previous years, participants wanting to attend the ACCA Co-operative Youth Leadership Program have found sponsors to pay a portion or all of their registration fees. We encourage participants and their families to find sponsors in their communities. Participants don't need to be sponsored if they are comfortable paying their entire registration fee. Applications that arrive without at least the participant fee are not guaranteed a spot until sponsor information is received or payment is made in full. Organizations that have sponsored participants in the past include:

- Credit Unions
- Schools
- Service Clubs
- Co-op Stores
- Grain Companies
- UFA Co-operative Limited
- Farm Organizations
- Natural Gas Co-ops
- Agricultural Societies
- Rural Electrification Associations
- The Co-operators Insurance

The Possibilities Are Unlimited

- Learn to plan recreational activities
- Create a digital picture USB about your week
- Learn how to confidently speak in public
- Set up and run a co-operative business
- Build self confidence and team building skills
- Make lifelong friends
- Return home feeling motivated, inspired and feeling great about your individuality
