GATHERING OF ALBERTA CO-OPERATIVES

OCTOBER 17TH & 18TH

STONY PLAIN, AB

PARTNERSHIP GUIDE

Conference Objectives

- Create networks with other champions to identify common goals
- Build momentum for future co-operative initiatives
- Identify opportunities for co-operatives to make an impact in our economy.

To celebrate Co-op Week 2018, we are inviting co-operators from across the province to Stony Plain to learn and network together at the Gathering of Alberta Co-operatives. It will feature an opening reception, conference, leadership awards, and include mentorship opportunities, hands-on workshops, and a ton of networking. The Gathering connects with boards of directors, senior management, young leaders, government officials, economic development officers, and new and emerging co-operatives. Our attendees represent all sectors of the economy, and from all corners of the province. In past years the event has featured renowned speakers such as Peter Couchman and Bill Oemichen.

This partnership guide provides an overview of the Gathering and how to get involved.

Knowledge Sharing and Mentoring

- The co-operative sector has an abundance of skills, experience, and knowledge.
- All programming at the Gathering will connect co-operators to learn from one another.

Growing the Sector

- How much of Alberta's GDP will be attributed to co-operatives in the next five years? How will membership grow?
- What new co-operatives will exist? How will co-operatives stay ahead of the changes in our economy?

Leading the Sector

- No organization can outpace the quality of its leadership. We will explore and discuss the core competencies for co-operatives to attract, retain, and develop excellent leaders to advance the goals and meet member needs.

Mentors will be recruited from the conference sponsors and other leaders who are committed to a strong co-op sector. Mentors will be recognized on our website and at the event.

Program Development
